## CHANGES TO YOUR XP23 SERVICE

### XP23 ERSKINE

Current footfall on our XP23 is very low, so we feel a better solution is required. From Monday 17th August, we are temporarily removing the XP23, along with XP prices!

The X23 will now run in the morning, as part of GoZone1. Please see timetable left for the X23 .

### XP23 RENFREW

With current footfall on the XP23 very low, there is no need for our peak only service. From Monday 17th August, the X23 will temporarily operate in place of the XP23, with standard GoZone1 prices.

### TICKETS

If you have a current XP ticket, you will receive a 50% discount on your next ticket, at GoZone1 standard prices!

All of McGill's fleet is wheelchair accessible but we cannot guarantee access for wheelchairs where there is an obvious deficiency in the bus stop infrastructure. We will do everything within our control to allow inclusive travel but must make our passengers aware that local authorities are responsible for raised kerbs and wheelchair-compliant bus stops.

All of McGill's fleet is wheelchair accessible but we cannot guarantee access for wheelchairs where there is an obvious deficiency in the bus stop infrastructure. We will do everything within our control to allow inclusive travel but must make our passengers aware that local authorities are responsible for raised kerbs and wheelchair-compliant bus stops.

All of McGill's fleet is wheelchair accessible but we cannot guarantee access for wheelchairs where there is an obvious deficiency in the bus stop infrastructure. We will do everything within our control to allow inclusive travel but must make our passengers aware that local authorities are responsible for raised kerbs and wheelchair-compliant bus stops.
