7 GREAT DAYS *away*

Stirling

A city steeped in Scottish history with the castle, a medieval old town, the National Wallace Monument, the Old Stirling Bridge - to name but a few sites worth visiting!

St Andrews

It may be the home of golf - and you can enjoy a game of pitch and putt in town, but there is so much to see and do in St Andrews you may need a second visit!

Callander

Enjoy a gentle walk along the river footpaths, to exploring the many shops along the main street. There's plenty of places for a spot of lunch too. Plus it's only 90 minutes away!

Gretna

Gretna Gateway Outlet Village boasts 50 + shops and 5 cafés - making it the perfect day out for shopaholics. With five hours free time, there's plenty time to enjoy some serious retail therapy.

Luss & Loch Lomond

Enjoy a fantastic Days Away by the bonnie banks of Loch Lomond! A stroll in Luss in the morning and shopping at Loch Lomond shores in the afternoon... there's something for everyone.

Inveraray

In addition to the Castle, there's the Georgian Inveraray Jail, the Clyde puffers VIC72 and the Vital Spark, the Bell Tower and a bustling high street full of great shops and places to eat.

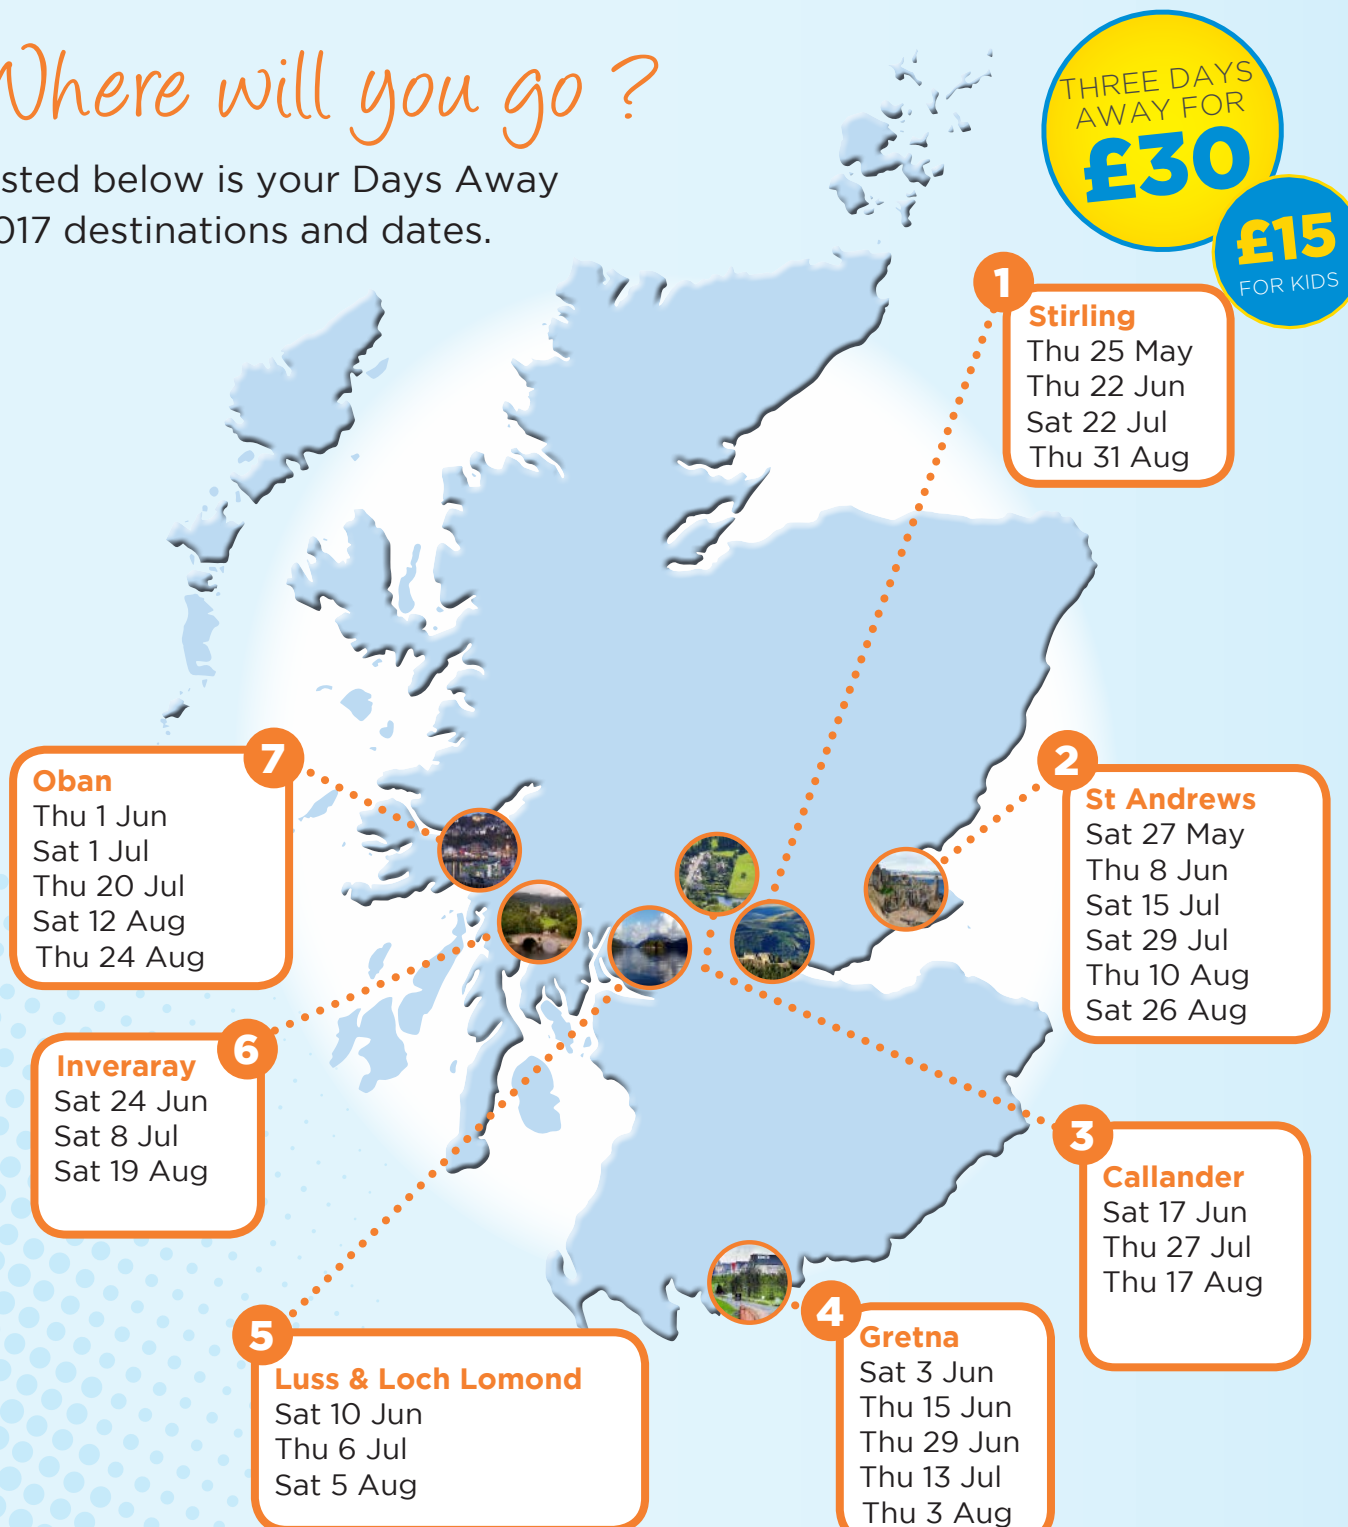

Oban

Oban has developed into Scotland's most popular West coast holiday town. There are plenty of things to do in Oban, or you can simply enjoy a wander along the main street with plenty of great shops and cafes/restaurants.
